

The **folding coat rack 240** enables flexible use of spaces within a room. It is designed for heavy loads, space-saving, completely retractable and on request lockable. The built in pneumatic spring supports the opening process until the locking mechanism is fixed when retracted. This guarantees maximum security.

See **accessories** for issue tags and additional options.

Technical details as at 11/2014, subject to modification

Configure your desired coat rack

Order

1.

Assemble your desired coat rack using the fact-sheet. This will then be individually manufactured according to your requirements - Quality directly from the manufacturer!

3.

Order using your article number by phone or by email:

Tel.+49-2334 9096-10
info@garderoben-haarmann.de

The correct article number

2.

Select from the respective options in the categories A-F. The result is the article number, which you use to order directly from us.

If you still have questions, then simply call us or send us an e-mail.

How can I get my correct article number?

Easy. For example you want to configure and order the coat rack stand 70*28?

Proceed as follows: First of all select the desired profile from category **A** e.g. option 2 - the right corner profile 65*22mm. The first digit after the base number **RG70*28** is 2.

Select the respective options from the remaining categories. The last 3 or 4 digits are taken from the length of the coat rack, category **F**. For example If you select for a 660 mm long coat rack, the last 3 digits of the article number will be 660.
